# Patient Feedback

Doctors Team - Thank you so very much for the difference you make In the lives of your patients. Your kindness, sincere caring, friendliness and concern make everything better. Thank you so very much for taking care of me.

Nurses Team - Thank you for all your hours of hard work and devoted labor. Inspite of all the tough times that I gave you all as a patient, you all never lost your cool and went about your duty with care.

Everyday day of my live will be better because of all the Doctor's and nurses here.  
Thanks Adyar cancer Institute.

Doctors look after the patients very well and nurse are equally good

All Doctors & Nurses are very good

Appreciate all the doctors who were involved in guiding and giving the best possible treatment

Cash counters at least have two people who should be active and kind in person

Nursing and the housekeeping done here is very much worthy of appreciating

Diet must be improved for patient care

Better coordination between the departments to be improve

They Listen to my problem

The staff nurses and duty sisters were remarkably good, the sincerity of the doctors were amazing, fully dedicated to their service and commitments

Good .... Great care taken by staffs & doctors... Excellent service... Thanks a lot...

Hospital provided a good quality of care above our expectations. Happy and satisfied 👍

Procedure good but very slow in attending

My sincere thanks to my dear Doctors. really they help me lot even in night time also response in my phone calls really hero in my life

Ward nurses were kind and helpful. Appreciate Doctors for their regular follow up

Doctors are helping so much and all staff nurses cooperation good

All Doctors & Sisters Care is very Nice

Nursing care and team of doctors are really excellent and caring. Best team of doctors, attend to all our calls and query. Basically gives patients high hope of getting recovered soon Best treatment ever

Polite reply and behaviour of security staffs would be appreciated

Overall Hospital care is very good

Children's Ward Maintenance is very Nice

“

Facilities are good but  
maintenance should improve

“

Doctors and all nurses are good  
quality good
